

# Horizon Blue Cross Blue Shield Policy Holders

Acu Equilibrium JC, LLC is out of network with Horizon Blue Cross Blue Shield. As a courtesy to our patients we bill Horizon Blue Cross Blue Shield for services rendered in our office. Horizon Blue Cross Blue Shield will reimburse you directly for the treatment you receive. Horizon Blue Cross Blue Shield does not make any payment directly to our office. When you receive payment from the insurance you will be responsible for payment to our office. The amount you will owe is inclusive of the amount Horizon Blue Cross Blue Shield pays you as well as any deductible or copayment portion which may be due.

We ask that you bring all explanations of benefits (EOB's) from Horizon Blue Cross Blue Shield to our office so we can determine the amount you owe. Horizon Blue Cross Blue Shield does not always send the EOB's to our office. If our office does not receive any information from Horizon Blue Cross Blue Shield or the policy holder within 60 days of billing you will be responsible for the amount billed.
